## What is Easter

Easter is a celebration and holiday for Christians because they celebrate the resurrection of Jesus Christ. They spend their time during Easter attending different services at the Church, exchanging gifts with each other. Some activities are Easter Egg hunts, or the egg-on-the-spoon race.

Lent is a season of reflection before the Easter holiday. Lent is a period of time where Christians take place in fasting, sacrificing food or other needs. They use this time to repent to God.

## What is Eid-ul-Fitr

Eid al-Fitr marks the end of Ramadan and is a joyous celebration observed on the first day of Shawwal (the month after Ramadan). Muslims gather in mosques or open spaces to perform a special communal prayer. After the prayer families and friends gather to enjoy festive meals, exchange gifts, and share happiness

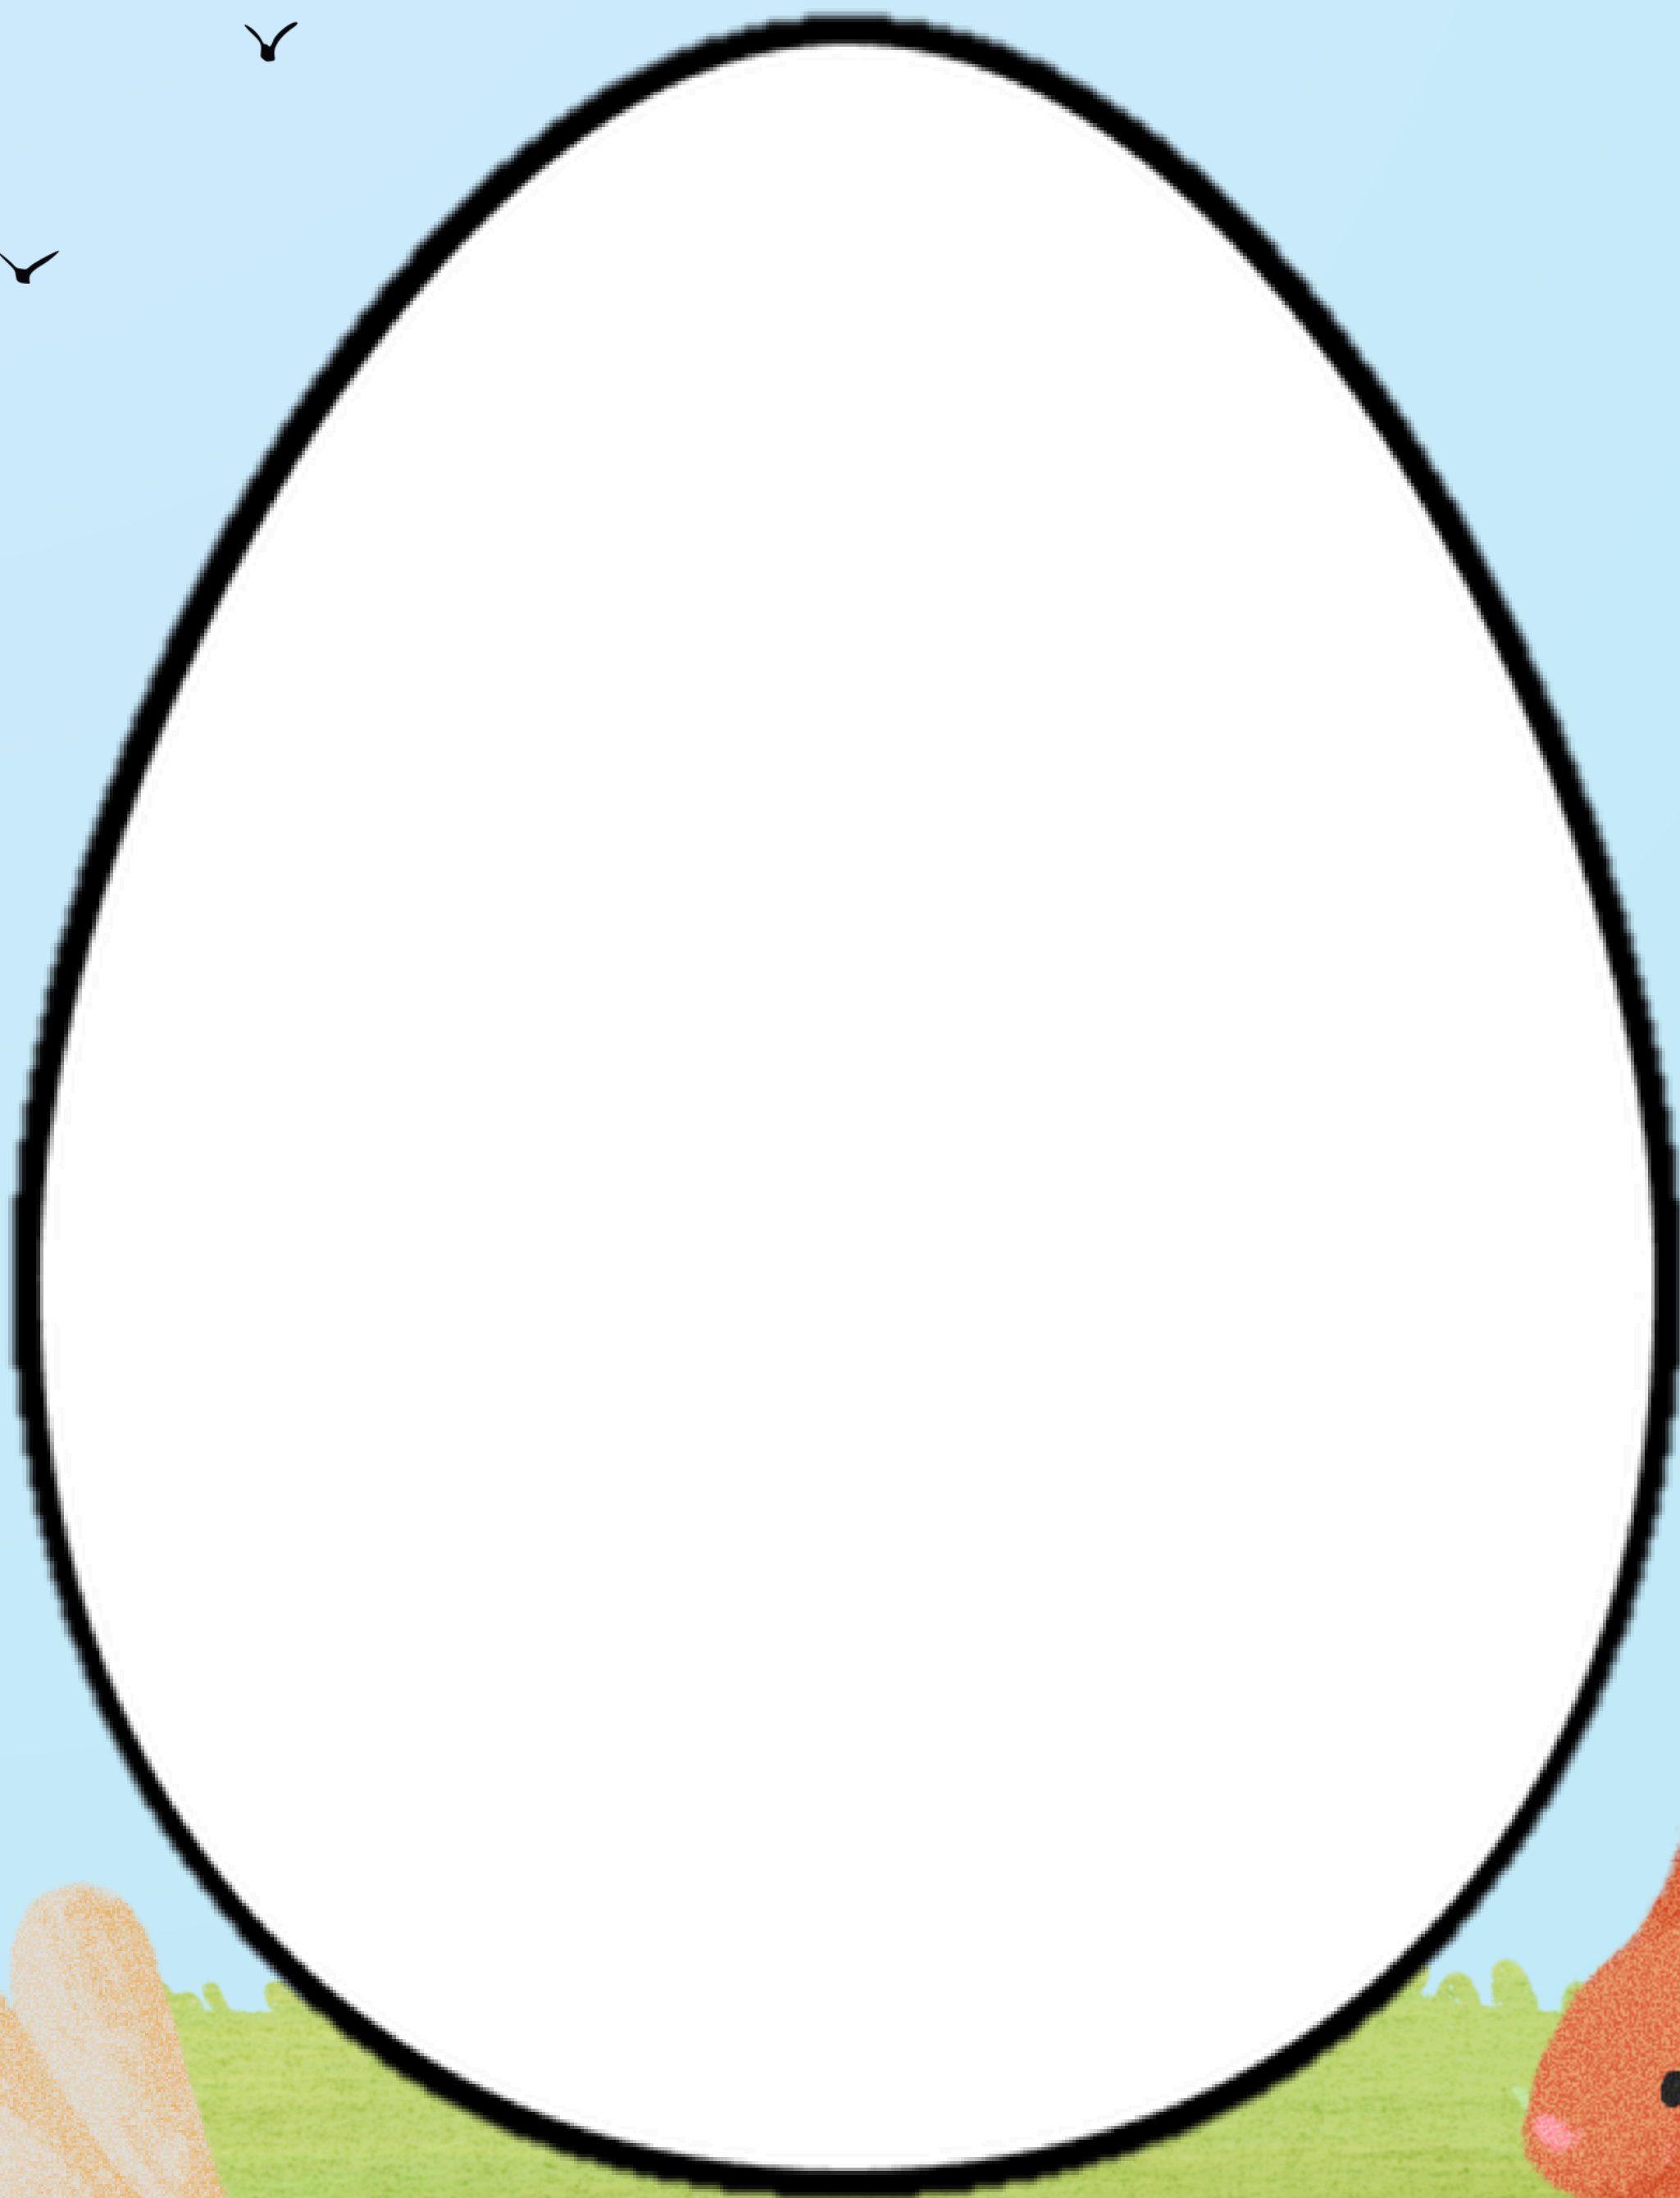

Ramadan is a period of time where Muslims fast the month from sunset to sunrise, praying to Allah and making their relationship between themselves and Allah stronger. Its a time where Muslims reflect on their sins and how they can better their self during the month of Ramadan.
